

## The Last Blog: A Short Story (The Soren Chase Series)

Sean Gordon went inside Madison Manor on Nov. 14, 2010, and was never seen again. The only clues to his fate were a series of blog posts he left behind, allegedly recounting his final hours inside one of the most haunted houses in the world. But what started as an investigation into the mysterious occurrences inside Madison Manor also revealed shocking truths about Seans own past. The Last Blog is a 10,000-word short story that includes Seans final blog postings, as well as additional analysis and insight provided by noted supernatural expert Soren Chase. Its the perfect treat for Halloween!
