

The Priestess (The Doctor Orient Novels Book 5)

Cuban voodoo, a vice lord, and a woman with power over death itself. Dr. Owen Orient picked a lethal time to visit Miami Cut off from his friends, students, and lover while on the run from the CIA and a powerful voodoo cult just another day in the life of Dr. Owen Orient, psychic investigator. When the ink on his fake ID dries, Orient finds himself in sultry Miami working at a small pharmacy in a rundown neighborhood. He manages to stay under the radar until his boss turns up dead after refusing to sell his business to a syndicate headed by Cuban voodoo priest Mojo Pay. Orient has no choice but to investigate. Orient moves through a world of cocaine, sexual excess, dark voodoo rites, and occult murder in this riveting paranoid tale. The Priestess is an audacious new step forward in Frank Lauria's genre-defying mix of horror, erotica, mystery, and thriller.
