

## Escape (The Prisoner and the Sun #1)

Fantasy adventure. Inspirational allegory. The journey of a lifetime. Young Iliff believes his prison world to be all there is. But when a stranger tells him the incredible story of a long-ago escapee, Iliff resolves to learn the truth. Thus begins his journey to find the Sun, a magnificent power from which all things are said to originate -- including him. But first he must venture beyond the very walls he is charged with upholding and into realms deep and dark, where fearsome creatures lurk. A fantasy-based search for ones true self, The Prisoner and the Sun Trilogy will be enjoyed by fans of The Alchemist and Jonathan Livingston Seagull. Escape is followed by Lights and Shadows and Final Passage. Appropriate for ages 10 and older
