

The Riddlers Gift: First Tale of the Lifesong (Part Two)

In a time when the world was ravaged by chaos, one kingdom remains; ordered, isolated, protected. Then Tabitha Serannon awakens an ancient power and the world begins to change. She is hunted for her talent. The Shadowcasters whisper in her ears as their evil closes around her. Soon the Riddler walks beside her, but is he on her side? She has a moment to learn the magic before she loses her grasp of the Lifesong, but the path she must follow leads into Darkness; into terror, treachery and desire. To survive she must give voice to a music that she hardly understands, an enchantment that will echo through all time. (This book is Part Two of a two-part edition)
