

Rise of the Gryphon (Belador)

In the fourth novel of the bestselling Belador paranormal series, Evalle Kincaid must turn her back on the Beladors to protect those she loves, and the world, from annihilation. An Alterant who fights trolls, demons, and other deadly creatures, Evalle is an outcast among the Beladors. But now she can change all that and finally get answers about her origins. In her attempt to take down the Belador traitor and bring home a captured friend, she infiltrates the dangerous Medb coven, where she discovers exactly what an Alterant really is and the news is not good for the Beladors. Meanwhile, Evalle's best friends Tzader and Quinn face unthinkable choices, as relationships with the women they love grow twisted. Evalle's relationship with the Skinwalker Storm becomes even more complicated when the witch doctor he's been hunting begins to stalk Evalle. With death breathing down her neck, Evalle is forced to embrace her destiny ... but at what price?
