

Melody of the Dark (The Chronicles of Midgard Book 2)

The Door of the Valkyrie has been opened... Getting into Brightstone was hardly a challenge, but with the city's close ties to the Shilykan Empire, danger lurks in the form of Imperial soldiers roaming the streets. Seeking to get their hands on Thor's hammer, Mjollnir, brothers Connor and Linkyn agree to enter the Honor Battles and publicly reveal themselves, as well as Maeja, to the Empire which hunts them. However, the Empire proves to be only part of their troubles when Ril receives warning that they have been followed to Brightstone by someone with their eyes set on Maeja... Journey into Melody of the Dark, the second installment in The Chronicles of Midgard!
