

## The Sea Devils Eye: Forgotten Realms: The Threat from the Sea, Book 3

Iakhovas has caused more destruction than any force since the Time of Troubles, but his true objective has been a mystery...until now. When a young sailor's journey is complete, an aging bard's final song is sung, and a malenti priestess faces her most challenging test, the Threat from the Sea concludes in an explosive climax that will set all of Faern reeling.
