

The World of Kurt Vonnegut: Son of Trout (Kindle Worlds Short Story) (Volume Six Breakfast Is Over Book 6)

This is the sixth and final volume in the Son of Trout. Sven Trotter has made it to Midland City. So have the Chinese, and so has the Creator. They've come not only to watch the implosion of one of the last Centers for the Arts, but they've come to hear Sven Trotter, since his Internet video has become a sensation that has skyrocketed him to fame. This ends it all for the characters, and much like Vonnegut did in Breakfast of Champions, I too, am letting them go. They'll have their free will, but they won't be using it on this planet. I am sending them all to, Spaghetti-Land.
