

Redwood Cove - The Series (The Promise, The Mermaid, The Beacon, The Shaman)

Redwood Cove - the Four Book Series
Redwood Cove is a fictitious small town on the far Northern California coast. The area draws spirited creative types who are more comfortable in nature than in big cities. The stories of Redwood Cove are contemporary fiction that include romance with a slightly paranormal twist.
The Stories:
The Promise - Introducing the main characters during a normal day at the Spring Festival
The Mermaid - Meaghan and Griffin - a unique shell starts Meaghan on a life changing journey
The Beacon - Libby and Darren - a handwritten diary from the 1920s holds secrets from the past - and the present
The Shaman - Crystal and Alex -- and Ronnie - can Crystal escape her past? Or will she fall back into the same trap?
