

The Shepherd (YA Paranormal)

Skate punks, kleptomaniacs, clairvoyant visions and reincarnation...THE SHEPHERD is unlike any other Young Adult novel you have ever read. For me, Mike Evans, a skate punk living in a white-trash trailer park, high school blows. My dad's an out-of-work drunk. My ex-girlfriend avoids me like the plague. My best friend, Anita, won't keep her hands off me...then there's Moses Lakes champion wrestler. The a-hole is waiting for an excuse to beat my face into the skate park concrete. Worse, my visions of grisly death are back again, and if I tell anyone what I've seen I might actually cause these terrible events to happen. I'm in way over my head, and Natasha? The girl I rescued from a hit-and-run? The girl who's stalking me nightly and climbing through my window? There's something seriously wrong with that girl. A young adult, paranormal, romantic, bizarre and addicting story, and I could not put it down. - Stephanie, The Boyfriend Bookmark

The Shepherd is different, unique, feels real and fresh and does not follow the usual boring and repetitive ingredients that YA books tend to have. - MissDevora, Lovers of Paranormal reviewer

Travis has captured the look and feel of high school perfectly, teenage angst, cliques and first loves. I felt like a fly on the wall taking in all the drama of high school again. - Jackie, Goodreads reviewer

Sharp, witty, dark and gritty, The Shepherd is a paranormal thriller for all ages. Get your copy of this thrilling urban fantasy paranormal suspense novel from New York Times and USA Today bestselling author Travis Luedke
