

The Tale of Sigurd and the Dragon (Illustrated)

- Illustrated by Arthur Rackham
The Tale of Sigurd and the Dragon is about one warrior's quest to slay a powerful beast. Sigurd, aspiring to be a hero, seeks a mighty sword. After several attempts, Sigurd attains Gram, a weapon capable of slicing through the very anvil it was forged upon. Now bearing his blade, Sigurd faces the greatest challenge of his life. With cunning and strength, Sigurd prepares an ambush for the dragon. The beast must be destroyed, to fulfill his debt to the smith who crafted Gram, and to secure his name among the heroes of Norse mythology.
