Ian Silverstein and an old army vet from Hardwood, North Dakota make their way through a hidden passageway to Tir Na Nog to find more of the seven jewels that can shape the universe. They are followed soon after by four friends, including Tir Na Nog natives Thorsen and the mysterious Hosea. Odin sends Ian on a mission, supposedly to broker peace between two strongholds, that places Ian in great danger, and Ian learns that gods like Odin can mislead humans for their own strange reasons.
