

The Souls Mark: FOUND

Anxious to leave her destructive past behind, Amelia Caldwell moves to Willowberg, excited for a fresh start. Once there, she discovers that her birthmark is more than it seems. She has been marked by a vampire's soul. Not only does she hold his soul, but Amelia is also his soulmate. After almost a century of searching for his soulmate, Mitchell Lang fears the worst he is going to lose Amelia to another man. His heart takes over, and his impulsive decision to take away her free will and to intensify their bond quickly turns her growing love into hate. When they become trapped in the emotional rollercoaster of their souls bond, open conflict erupts. Amelia has no intentions of belonging to anyone, not even her soulmate, and Mitchell refuses to let her go. While she frantically searches for a way to escape his grasp, Amelia unlocks the painful memories of her past and uncovers a powerful secret. But before she has a chance to explore her newfound edge, she finds herself caught in the middle of a deadly game of revenge and is forced to realize that YOU CANNOT RUN FROM DESTINY.
