

The Story of Carthage (Classic Reprint)

Carthage, because one has to tell it without sympathy, and from the standpoint of her enemies. It is a great advantage, on the other hand, that the materials are of a manageable amount, and that a fairly complete narrative may be given within a moderate compass. I have made it a rule to go to the original authorities. At the same time I have to express my obligations to several modern works, to the geographical treatises of Heeren, the histories of Grote, Arnold and Mommsen, Mr. Bosworth Smith's admirable Carthage and the Carthaginians, and the learned and exhaustive History of Art in Phoenicia and its Dependencies, by Messieurs Georges Perrot and Charles Chipiez, as translated and edited by Mr. Walter Armstrong. To this last I am indebted for most of the illustrations of this book. I have had much help also from Mr. W. W. Capes' edition of Livy xxi., xxii. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
