

The Tourist

A modern fantasy satire of a corporate controlled world: In a time where everything has a price families corporate sponsored and dreams bought and sold like currency, Wisconsin business school graduate Jake Kramer finds himself without a dream and little hope. To regain inspiration he sets off to vacation in Spades Manhattan the brain child of financial tycoon Jonathon Spade, who years ago evicted all Manhattan residents to the outer boroughs and forced them to work as actors in his new Manhattan theme park. But when Jake arrives in Spades Manhattan, he realizes the dreams he purchased do not satisfy. It is when he meets Liza, an actress who performs in Spades Manhattan and follows her home to Brooklyn does his vacation truly begin. It is in Brooklyn where he learns working for your dreams far outweighs living a fantasy.
