

The Twins Go to the Hospital (Sweet Valley Kids #20)

Identical twins Elizabeth and Jessica Wakefield need to have their tonsils taken out. They've never stayed overnight in a hospital before, and they're not sure what their operation will be like. When they get to the hospital, Jessica and Elizabeth quickly forget their fears. The doctors and nurses are nice, and they explain all about the operation. Now the twins know what to expect, but they aren't prepared to meet Moe and Joe—some very unexpected visitors!
