

The Adventures of Napoleon Prince (Classic Reprint)

Chapter I How Johnnie Luck Met a Pretty Rogue Luck sat playing on a sixpenny flute like Pan on an immortal reed. The very sick man on the bed dozed and dreamed, and swore in dreams for a Uthe world as if he were awake. Outside east, west, north and south, if you got out far enough from Bung Creek rolled prairie. Over that east, west, north and south, near and far, wherever you looked trolled the burning blue. North-east many miles lay Battleford. Dimly visible in the far-away, Brown and Hooker lifted their great heads. Dropping down south-west was that desirable hell, San Francisco. But Luck desired nothing much in the world, save his flute and his food and his remittance, and occasional adventure of sorts, being young.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
