

Natural Causes of Lycanthropy: Magical Creatures, A Weiser Books Collection

Varla Ventura, fan favorite on Huffington Posts Weird News, frequent guest on Coast to Coast, and bestselling author of *The Book of the Bizarre and Beyond Bizarre*, introduces a new Weiser Books Collection of forgotten crypto-classics. *Magical Creatures* is a hair-raising herd of affordable digital editions, curated with Varla's affectionate and unerring eye for the fantastic. We are all werewolves. Or at least, according to supernatural expert Sabine Baring-Gould, we are all capable of becoming werewolves. Written in 1868, this selection from Baring-Gould's massive tome on werewolves will have you locking the doors and looking over your shoulder. Into the mirror.
