

## The Voyage of Lucy P. Simmons

The Voyage of Lucy P. Simmons is a beautifully written middle-grade fantasy adventure that Newbery Medalwinning author Katherine Applegate says is as magical and mysterious as the sea itself. Ever since her parents died, Lucys house has magically awakened. An enchanted flute plays when danger is near. A sparkling mist unlocks drawers of family secrets. A mysterious woman named Marni arrives. The magic helps Lucy keep her house out of the hands of her greedy Uncle Victor. As Lucy and Marni fight to stop Victor, Lucy makes unexpected friends and discovers the power of courage. But will it be enough to prevail in the face of her evil uncle?
