

## Prophecys Queen: An Epic Fantasy (The Triadine Saga)

In this prequel novella to the epic fantasy series The Triadine Saga, we follow the Elven Princess Rozlynn as she struggles with her role in The Prophecy and what she must do to keep the world from falling into darkness. This is a story of love and conflicts, personal growth, and freedom to choose your own destiny. The world of Elves, Dwarves and humans, is inexorably tied to magic, wizards and dragons, as the battle of good versus evil, light versus darkness, wages on. Will Rozlynn make the sacrifices and the choices necessary to ensure that The Prophecy stays on the right path? Will her sister, the Elven Queen, prevent her from making her own choice? Will Rozlynn's love for an Elven Hunter betray her and lead her astray? Join Rozlynn and many of your favorite characters from The Watchers Keep and The Dragon Rises to find out how it all started.
