

## The Wielder: Sworn Vengeance

After sending the Dzemond soul reaper Maldgorath running to save his skin, you'd think Arthur MacInernys life with his team of summonlings would become a little less stressful. But no... But Maldgorath returns, not only takes to shot at revenge on Arthur and his band, but to plunge the world into turmoil. He attacks Rome with thousands of his summonlings, setting his grand plan into motion. That plan is use radical Islam as a lever to create chaos among the worlds religions. After who benefits more from holy war than the unholy? The world turns on itself. Arthur and others have to go into hiding. But Arthur isnt one to stay on the sidelines. He is sworn to vengeance against Maldgorath not only for the death of his son, but for the family of the warrior he killed while duped into thinking the church was responsible. The second installment in the six-part series, follows Arthur, his band of summonlings, and other friends hes picked up along the way, as he pursues his Sworn Vengeance. This is a second edition text, which has addressed grammatical issues the great reviewers below have brought to attention. In addition, this edition includes a bonus sneak preview of the next installment as a Thank you! for reading.
