

Sir Myrth and the Dragon: A Short Story

Sir Myrth, the Lord Dragon Hunter, had never seen a dragon much less hunted one. It had been many years since a dragon had last been sighted in the kingdom and the knight felt smug and secure. But when a messenger arrived with an urgent message for the king, the Lord Dragon Hunters complacent life was turned upside down. Confronted with what might well be a fiery reality, would he prove himself valiant, quietly take ship for distant shores or ride into certain doom? A rollicking tale of high fantasy.
