

Witch Sense: Part Three

All witch Lara OConnell wanted to do was dump her neglectful boyfriend and get on with her life. But thanks to a show of power he thought would charm her, her ex is stuck in wolf form. And until she turns him back, shes stuck with him shedding all over her stuff. The local Alpha werewolf, Stephen, will help her turn her ex back into a human for a price. He needs Laras sensitivity to magic to figure out who is killing his people. But with the FBI looking into Phillips disappearance, an Alpha trying to make kissy face with her, and a killer who cant be too happy to have her on his trail, Laras problems are just getting started. Witch Sense: Part Three is the third part of the witch sense serial. Please note that parts may contain foul mouthed witches, sexy werewolves, and cliffhangers. All parts will be available through Kindle Unlimited. Happy reading!
