

Heartache (The Twenty-Sided Sorceress) (Volume 5)

Life-changing moments are sneaky little bastards. Often we don't even know that nothing will be the same until long after, only in hindsight can we look and say There! That was it! That changed everything. At least we could, if we were alive to do it. Gamer and sorceress Jade Crows psychotic ex-boyfriend, Samir, shows up for an epic showdown, and nothing in Wylde will ever be the same. Heartache is the fifth book in the bestselling Twenty-Sided Sorceress urban fantasy series.
