

Thomas Jones (1742-1803: An Artist Rediscovered

Thomas Jones, a pupil of Richard Wilson and a talented Welsh landscape artist, has received increasing popular attention in recent decades although little has been published about his life and work. This comprehensive catalogue seeks to fill that gap, offering essays by leading Jones scholars and presenting over 150 paintings from throughout the artists career. It presents research findings, information about Jones techniques, and reproductions of many paintings, to provide a full view of this important artist and his appealing works.
