

## Thunder Brook: Escape from the land of Huffra, Adam and the Valley of the Weedgrass

Huffra, Adam and the Valley of the Weedgrass are strange and mysterious living lands that are not what they seem. Legend has it; if you find yourself there you may never make it back home. Serenity, Wilwe and Mentiquity, three Forest kids find themselves lost and alone in these lands as disappointment and rejection cause them to question who they want to be. So now the journey begins as they look for a way back home trying to escape places no one has ever escaped before. Will they make it or will they be trapped forever or will the Craindrains and Canabi get them. Parents This book is the key to speaking to your pre-teen about the dangers of substance abuse. The symptoms of inhalants, ecstasy and marijuana are the actual settings of Huffra, Adam and the Valley of the Weedgrass. This is a simple way to speak to your pre-teens listening in an impactful way that will help you protect them. The most important person in your pre-teens life is you. It is no longer impossible to speak with your children and keep them safe, for ages 9-11.
