

Ties of Blood (Amaranthine Book 3)

In the sequel to *Legacy of Ghosts*, there are consequences for every action. When Katelina accepted her new life with Jorick a life of night and vampires - she left behind a worried mother and an abandoned apartment, but a trip home does more harm than good. As they dodge enemies, a pair of cold eyes appear in the background. Though no one else seems to notice, Katelina is sure that someone or something is stalking them. Is it one of The Guilds legion? Or is it something to do Verchiel, a strange vampire who seems suspiciously eager to befriend them? The terror follows even when Katelina is taken to The Guild against her will. Though Jorick follows, even he can only do so much in the face of the ancient master, Malick. Will they be punished for the trouble they've caused, or does Malick have other plans? In *Ties of Blood*, events are set into motion whose consequences will echo across the future. The third installment of the Amaranthine series plunges back into the world of night and fear; a world where vampires live in the dark for a reason. Look for the exciting sequel *Ashes of Deceit*.
