

Cutthroat Chicken

A hilariously dark romp in the world of Goldie Locke and Cindy Eller. All chefs beware! He has been watching. He has witnessed their every move. He knows their failures and successes. He has shared their triumphs and their shame, but now his patience has snapped. They have gone too far. He cannot bear it again. He will make them all pay for their dastardly crimes. Who is stalking cooking shows? Who is using them to concoct the most vile of all recipes.... murder? Only the undead know.
