

## The Dead Beat, volume 3

Death is not an alibi. There are laws that even the dead must obey. No hijacking the bodies of the living. No possessing the dead. And never speak of the Dark. Its the job of Police Exorcist Arphallo Sirius and his murdered partner, Sam Trent, to enforce these laws. Their job on the Dead Beat has always been a tough one, but now its become nearly impossible as the ghosts and the living alike tear the worlds apart in search of answers to the mysteries of life and death. The Dead Beat is an occult noir serial. This is the final volume of The Dead Beat. 22. Unlucky Stiff 23. Hospitality 24. Back to Work 25. The Other Guy 26. Safety in Numbers 27. In the Beginning 28.
