Once a horse, still learning human ways...only Dun Ladys Jess has the insight--and heart--to save her world from a rogue bent on revenge.(Changespell Saga Book II) Durgin tells this deeply insightful and touching tale with a deft clarity. Her eye for detail will delight and astonish you... --Hypatias Hoard ~~~~~

Jess, once a horse called Dun Ladys Jess, is still struggling to integrate her human and equine selves when the wizard Arlen discovers someone in Camolen is callously turning wild creatures into bewildered and maddened human slaves. Its unsettling enough that Camolens wizards cant find the rogue magic user--but the trouble has just started. A dangerous wizard escapes, Arlens hold comes under attack, and an entire company of peacekeepers disappears. Jess soon realizes that she and her friends are at the center of events that threaten to leave her trapped helplessly in equine form while her friends fall victim to revenge and the Council of Wizards slowly loses control of Camolen. Other books in this series: Barrenlands, Dun Ladys Jess, Changespell Legacy Doranna Durgin is one of the freshest new voices in fantasy fiction. Her style is clean, uncluttered, and effortless. Changespell is a full-bore, straight-ahead, fast and furious read. I want more! --Jennifer Roberson, author of the Karavans and Sword Dancer series

Praise for Dun Ladys JessDun Ladys Jess is unique. Durgin has created a character who is utterly believable as both horse and horse-in-human-body. The setup is brilliant: the magic that causes the transformation is not in the horse, but external, and the creature that is Dun Ladys Jess must adapt, must find an identity that works in both paradigms. Humans who

encounter her, in either body, must also adapt to the reality that created her and that she represents. She cannot be, any longer, just another mare...she cannot be, ever, just another woman.... --Excerpt from Elizabeth Moons Forward for Dun Ladys Jess

A thrill ride with a fantasy twist, neatly done by a knowledgeable author - short, sweet, and paced at a gallop, Dun Ladys Jess cant help but to win you over.

--Janny Wurts Horses, heroics, and magic--a great combination! I thoroughly enjoyed reading Dun Ladys Jess, a spirited and daring novel. I couldnt put it down.

--Kristen Britain, author of the Green Rider series

Dun Ladys Jess is a wonderful read for those who are horse fans and those who are just plain fantasy fans or fans of great writing.

--Josepha Sherman, bestselling author/editor

Dun Ladys Jess is everything a great fantasy ought to be: Exciting, moving, and utterly original. Doranna Durgin has spun a marvelous tale, set it in a world that feels as real as our own, and populated that world with characters who will stay with you long after you read the final page. An excellent book, which I highly recommend.

--David Coe, author of Winds of the Forelands & the LonTobyn Chronicle

Jess is a tale of wonderfully diverse and riveting characters embroiled in extraordinary events, told with a deftness and care few authors can achieve. Once you begin, you wont be able to put it down until you know what happens -- and then youll wish it never stopped. I highly recommend it. --Diana Pharoah Francis, author of Path of Blood
