

Tour of the Universe: The Journey of a Lifetime : The Recorded Diaries of Leio Scott and Caroline Luranski

Imagine - in the morning mail comes a letter announcing you have won a competition, the first prize an all-expenses-paid trip around the local galaxy. You will spend six months travelling from Earthport across millions of miles of space, visiting strange and wonderful planets along the way. You would think it a hoax if it happened now - but imagine yourself living in the year 2577 and such a letter might not be so crazy. Leio and Caroline win such a prize and visit in full fabulous colour Jupiter, with overnight stops at Ring City, Ganymede, Pluto, VandeZandes World, Pilax and have their first meeting with a living alien civilization, travelling on through dozens of adventures and dangers. This book is the records of their whole journey. We see the dazzling places in full colour, we see the space craft they travel in, the passports, the immigration forms, the travel brochures, newspaper reports and their diaries of the holiday. Share their adventure of a lifetime!
