

## Blood Song (Volume 2)

From NEW YORK TIMES & USA TODAY bestselling author, Tamara Rose Blodgett #Julia has been ripped from the escape she planned for herself. When she awakens to discover that her reality has shifted to include a supposed soul-meld with a man she hates, and who hates her... she rebels. Julia doesn't want to be captive in a gilded cage. Broken from the horrific events surrounding her friends, Cynthia migrates to the very city that Julia resides, determining to find her as the police follow the bread crumbs she's left in her wake. The Feral has come full circle and must begin a new life from the shadow of the old. His placement in the hierarchy of the pack is uncertain when he finds that he has an integral enemy and a pack member to protect. Can the vestiges of Julia's former life be restored so she might reunite with her one true love or has that door closed forever because of supernatural circumstances beyond their control? Mature Young Adult / New Adult, contains sexual situations, moderate violence and profanity.
