

Duchamp (Great Modern Masters)

An enigma to art historians and a great source of inspiration to other artists
Someone else may have invented the wheel, but Marcel Duchamp (1887-1968) invented the ready-made. A bottle dryer may be a bottle dryer, but signed by Duchamp it is also one of the major works of 20th century art. Duchamp has been an enigma to art historians and a great source of inspiration to other artists. This study addresses the myth and reveals the compelling charisma of Marcel Duchamp.

About the Series: Each book in TASCHENs Basic Art series features: a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance a concise biography approximately 100 illustrations with explanatory captions
