Count your blessings, guard your curses--and watch your back. . .Sophie Lawson was seriously hoping life at the UDA would get back to relative normal now that her boss Pete Sampson has been reinstated. Unfortunately, her new assignment is sending her undercover into a realm where even the most powerful paranormals fear to tread. . .her old high school. Now as the clock ticks down to apocalypse, he and Sophie will have to summon every trick in the book to battle devilish illusion, lethal sorcery--and betrayals theyll never see comingPraise for Hannah Jaynes Underworld Detection Agency ChroniclesJayne continues to delight with the third Underworld Detection Agency novel. --Publishers Weekly (starred review) on Under SuspicionHannah Jayne has created an imaginative world that I look forward to visiting again and again. --Alexandra Ivy, New York Times bestselling author on Under Wraps
