

Bling Blang

Attention young architects and builders: Check out the house that Woody Guthrie and Vladimir Radunsky built! Run bring rocks and I'll bring bricks. A nice pretty house well build and fix. Making something together has never been this much fun! Legendary singer-songwriter Woody Guthrie is the architect; graphic artist Vladimir Radunsky and his young friends are the builders. You can be sure the house they build full of zany humor and vivid colors is a fun house. So, ZING-O ZANG-O, come on in! Any child who has built something out of bits and bobs of anything or known the joys of creating will feel right at home! Sheet music featured on reverse side of jacket!
