

Vegas Vampires

Vampires and Casinos - Since San Francisco's origins as a Gold Rush town, vampires have secretly owned a worldwide chain of casinos. Until recently the Blood had directed resort and gambling operations from the shadows. Now the darkwalkers defy the light, openly running the gaming establishments. Come the first nightfall of winter, the Gaming Guild will hold the 25th Dark World Gambling Games, where one lucky vampire will win the Golden Dice and the grandmasters mantle to lead them. A Cursed Vampire - Dirk DeVault is obsessed with winning and returning the guild to its former glory. The undead casino manager is hindered by a powerful 150-year-old Native American curse to his card karma. He has lost all hope until he encounters Lady Luck incarnate. Now he stalks Heather, scheming to bend her good fortune to win the Games and rule the guild. Lady Luck - Along with intelligence and beauty, Heather Winslow wields the luck of three. Her amazing good fortune allows her to escape the worst predicaments. Whether dealing or playing, she wins against all odds. But will luck save the Tahoe dealer's soul from the Darkness and its powerful vampires? Her faith in light, love and miracles comes under assault and threatens her very soul. Only with aid from a possessive ghost, a mysterious vampyre from India, and the Thirteenth Son of Galahad can Heather stop an ancient curse from destroying her. But is that enough to halt the rise of a new breed of vampire able to defy the light?
