

Veil to the Chief (Ted Saves the World Book 5)

A hero trapped. A deadly game. One decision could end the world. Ted Finley isn't himself. Enslaved in his own mind, he's forced to live the life of his greatest enemy. Erica LaPlante has lost hope. The treaty that torched her purpose may destroy everything she loves as well. As Natalie Dormer fights her demons and Jennifer Norris considers a new definition of family, Earth's greatest threat looms large. And this threatening villain is about to recruit a powerful ally. Fractured and frail, if Ted and his friends can't work together, the world will come apart at the seams. Veil to the Chief is the fifth book in the Ted Saves the World saga, a series of YA superhero novels. If you like incredible superpowers, bloodthirsty villains, and friends who must fight like a family, then you'll love Bryan Cohen's latest entry in the heart-pounding high school thrill ride.
