

The Guardian of Threshold: Somethings are Best Left Untouched 5x8 (Threshold Series) (Volume 1)

Although its normal for a sixteen-year-old teenager to be chasing the girl next door, Mark Anthony has much bigger problems. For starters, Mark cant forgive himself for his mothers death, his father couldnt give two hoots about him and his house is in complete shambles. Now, hes certain that death is coming for him. After an accidental out-of-body experience, Mark discovers the world beyond where the dead lives and dangers awaits the bravest of souls willing to risk everyone and everything for a mere glimpse of a loved one. The only question is how far is Mark willing to go? The Guardian of Threshold is a full-length Paranormal Fantasy that will appeal to lovers of Fantasy, Adventure, Astral Projection, Paranormal Romance, Urban Fantasy and Out-of-body Experiences.
