

Wages of Sin (Williamson, Penelope)

* Penn Williamsons previous hardcover, *Mortal Sins* (Mysterious Press, 6/00), grossed nearly 50,000 copies. The paperback edition will be released simultaneously with, and contain a teaser chapter from, *The Crucible Of Death*.* The authors novels are extremely popular in Europe, especially France and Germany, where they are best-sellers.* *The Crucible Of Death* continues Williamsons successful departure from her earlier womens fiction titles, written under the name Penelope Williamson. Here, in this stand-alone novel, she picks up where *Mortal Sins* left off in a riveting story of murder, desire, and intrigue that will further establish her as a mainstream author in the same vein as Sandra Brown.
