

Waking Dreams: The Torment of Colin Pierce

Sometimes Colin Pierces dreams come true--unfortunately they arent always happy dreams. Several years after a horrible nightmare claimed his wife and youngest daughter, he finds himself pulled into the mysterious world of dreams again. This time the Wall of Sleep--the line separating the Dreamside from the waking world--is under attack by a malevolent entity known only as the Torment. If this monster succeeds in breaking down the Wall, what will keep all our nightmares from invading our lives? Its up to Colin, accompanied by his surviving daughter and their strange and mysterious neighbor, to go to the Dreamside to rescue the Wall and save both worlds. And maybe, just maybe, along the way he can save himself...
