

## Taboo 0: Cliche of Memories (The Generalist Book 1)

A bathtub full of blood and a head empty of memories. While Im pretty certain thats not the normal way that I wake up on a daily basis, its certainly how THIS day starts! From there its a hop, skip, and a jump into more crap than Im fairly certain I can handle. Fighting my way through a city full of magic and monsters, and doing my damndest to figure out who and, possibly, what I am. Cept I dont know if Im ready for that or not. The Generalist, Taboo 0: Cliche of Memories! Because you simply cannot read about people getting punched in the face ENOUGH!
