

Warrior Priest of Dmon-Li: Book Three of The Morcyth Saga

When James destroyed the Iron Mines at Sorna in a mammoth volcanic eruption after rescuing Miko from his enslavement, massive tsunamis wreaked havoc all along the Empire's coastland. This brought the attention of certain powers within the Empire to bear. Now with a warrior priest of Dmon-Li in pursuit, James must lead the others safely out of the Empire to the relative safety of the kingdom of Cardri. After a disastrous sea voyage leaves them shipwrecked on the coast of an unforgiving swamp full of cannibals and ferocious creatures, they must forge their way north in an attempt to escape the clutches of the Empire. In the Warrior Priest of Dmon-Li, James is tested to the very limits of his endurance and intelligence. With Miko and Jiron beside him, he faces incredible challenges, both in battle and in reasoning. Their very survival will depend on how well he meets these challenges.
