

Bottle Lake Safety Book: Bottoms Reservoir Lake Safety Book

A must have guide for anyone who spends time at the lake with children. This should be the first book you read any and every child arriving at your boat, lake property, campsite, dock, fishing trip, summer lake vacation, or lake cabin. Make it a summer holiday tradition, you will not regret it. This Lake Safety Book is a perfect guide to share with a young child before their first trip to the lake, or anytime you have young guests visit you at the lake. Filled with colorful and fun pictures with correlating text, the Lake Safety Book will help any parent to educate their child in the best practices for a safe and enjoyable vacation. Complete with the most common, but important, instructions this is a must have tool for your trip. Space is also included at the end for your own rules and regulations to enjoy your water vacation. Don't leave for the lake without first consulting this wonderful guide. Pick up your copy of this educational picture book today and be prepared for a safe trip to the lake! A trip to the lake can be a fun and enjoyable activity for the entire family, but safety comes first. With this Lake Safety picture book you can show and tell your youngster the dos and don'ts of having fun at the lake. Complete already with over twenty important reminders, there is space also included at the end for your own rules and regulations to safely enjoy your water vacation. Filled with colorful, informative pictures as well as text, the Lake Fun Book is the perfect accompaniment to your next lake outing.
