

Waterlocked: An Elemental World Novella

Wa-ter-locked adjective Definition: enclosed entirely, or almost entirely, by water Example: What happens when the water vampire youve promised yourself to actually wants you to go through with the wedding? For Gemma Melcombe, her engagement to Terrance Ramsay was a political maneuver. For Terry, its something entirely more. Rough waters may be ahead for these two headstrong lovers, but until they come to an agreement, Gemma will be waterlocked. Waterlocked is a stand-alone novella in the Elemental World series.
