

Karate Wax Museum (KARATEQUEST Adventures) (Volume 4)

You've karated demons in high school, mini golfed against monsters (and karated them too), and travelled through time to karate more things. But are you ready to take on an army of ninjas and an evil mastermind looking to crash the Holiday Galastravagana? Will you be able to save the day with the help of some new friends and still have time to enjoy a plate of delicious bacon wrapped shrimp? The answer to these and none of life's questions can be found in Episode 4 of the KARATEQUEST Adventures series. In this second person interactive adventure you still are The Sensei and you still know how to handle most situations: with karate.
