

Scones and Death in the Cricket Pavilion: A Novella: The Diddlebury Murders Book 2

After the demise of Diddleburys most active murderer, the village seems oddly quiet, and Ray is left contemplating a tedious future as an amateur detective finding lost pets and wrongfully arresting innocent villagers. Luckily, a member of the village cricket team is murdered, and the investigation team get their chance to roll into action, ensuring they have plenty of ales and scones along the way, as they try and catch the killer before the cricketers are bowled out.
