

A World Within (Wielder Saga Book 1)

Fourteen year-old Daniel Harwicks powerless days bullied at Ekhart Academy are about to end. Traumatically catapulted into a beautiful but terrifying world within, Daniel finds himself on the run from Pirates, Dragons, Shapeshifters, Spider-Elves, Griffins, Krakens, Cyborgs and even Death himself. Reluctantly, Daniel joins with a strange band of ragtag warriors questing for the legendary Wielder who alone can defeat the spread of the Necrom Void across the Living Land. But as Daniel begins to exhibit a strange ability to escape overwhelming danger his friends wonder if the Wielder may be the least one they expect! James Somers is one of my favorite authors. His pacing, creativity and the unique spiritual perspective he brings to his stories never disappoints. Jeremy Robinson, author of PULSE and INSTINCT. PRAISE FOR: THE REALM SHIFT TRILOGY The Realm Shifts intrigue is second only to its action! -- Wayne Thomas Batson, author, The Berinfell Prophecies and The Door Within Trilogy. The Realm Shift doesnt just draw you in, it sucks you in! The story is full of mystery, adventure, danger and inspiration. I highly recommend it! -- Brian Tubbs, Pastor, Sligo Baptist Church. The Realm Shift is written in a grand mythic type of storytelling reminiscent of Tolkiens Lord of the Ring Trilogy. It grabs the reader from the get-go and takes you on an intense ride through its thrilling, unstoppable trajectory! -- Rai Aren, author, The Secret Sands. The Realm Shift is spiritual warfare as youve never read it before. An awesome book! -- Betty Dravis, author, Toonies Invade Silicon Valley and 1106 Grand Boulevard. PRAISE FOR: THE CHRONICLES OF SOONE ...an intense, action packed sci-fi story with a heart. A gripping story, not to be missed! Jeremy Robinson, Bestselling Author of: PULSE, INSTINCT & BENEATH Sparks of Creative Genius: Somers strength is

plotting. No bog down scenes here. It just keeps amping. Wait until you meet the cyborg assassin Vale. He alone adds a rogue suspense mechanism worth the price of admission. The Vorn, the Barudii, the transdimensional rift--all very cool elements. A Story Worth Hearing! Wayne Thomas Batson, Bestselling Author of: The Door Within Trilogy, Isle of Fire & The Berinfall Prophecies Everything an action sci-fi fan could ask for: Full of battle. From the opening scene I was captivated. Woven into the action are moral dilemmas and tragedy, coupled with a unique perspective on the battle between good and evil. An excellent read. Craig Alexander, Author of: The Nineveh Project & The Assassi
