

# The Return of Cathos: Tales of the Silver Sword Inn Complete Collection One

Welcome Travelers! Welcome to the Silver Sword Inn! My name is Croft and I run this establishment. Now knock the dust off your cloak and have a seat at this table. Ill get you something to drink and well get you some food from the kitchen in just a few minutes. Are you here on business or adventure? Either way, we have a room open. Those men in the corner? Why, they are adventurers! This inn of mine attracts a lot of adventurers. You know, I was once an adventurer myself. Retired and took over this place. Oh, the stories I could tell. This place has a lot of stories. See that elf over by the fireplace? Wait until he starts telling the tales he has prepared tonight. In fact, I think he is getting ready to tell the stories of the Return of Cathos.
