

Witch Emerging (High Witch Book 2)

Sequel to High Witch. After surviving being hunted by Julius, Brayden and Ariel settle into their married life. Ariel is determined to find the other High Witches to make sure they're alright. But there's something going on with her pregnancy, something unusual, and she needs to find out what. In the meantime, Hallie, an eighteen-year-old witch, is being pursued by Nicholas, a strange young man who knows about her past. What does Nicholas want with Hallie, and how are they both connected to Ariel? And what about Sean, the man Hallie loves? Will they end up together, or will Nicholas plan to hurt all of them? The two witches will need to work hard to save those they love, and each other.
