

Witchy Tales: A Wicked Witches of the Midwest Fairy Tale

Look out Hemlock Cove, Aunt Tillie is on a rampage. What else is new, right? Shes determined to move her wine business to the next level, and she needs twenty-four hours of peace and quiet to do it. Theres only one thing standing in her way. Well, make that a whole family of obstacles and one ticked-off FBI agent. When cousins Bay, Clove and Thistle vow to stop their great-aunts wine endeavor in its tracks, Aunt Tillie is forced to come up with a unique solution. In order to keep her great-nieces out of her hair, she curses them into a book of fairy tales. Of course, because its Aunt Tillie, these arent normal fairy tales. Theyre the fairy tales she created with a little inspiration from the classics. Now Bay, Clove and Thistle have to work their way through a labyrinth of stories they havent heard since they were kids and they have to take Landon, Marcus and Sam along for the ride. Will Bay get eaten by bears? Will Thistle kiss a frog? Will Sam climb Cloves hair to rescue her from a tower? And, better yet, will Landon turn himself into a prince and slip a glass slipper on Bays foot? Each task becomes harder as the story progresses, and as the tales darken, things start to become dangerous. Can the Winchester witches survive Aunt Tillies twisted mind? Or will they be lost in a book forever? Note: Witchy Tales is set between Witch Me Like and Lifes a Witch.
